

25 ways to
show respect
to your husband

do

1. talk to him in a pleasant tone.
2. speak highly of or compliment him in front of others.
3. allow him to do tasks his own way and then thank him when he is finished.
 4. value his opinions.
 5. support his decisions.
 6. try and fulfill his requests.
7. thank him for providing for your family.
8. allow him to make final decisions.
9. support him in his decisions, regardless of the outcome.
 10. avoid the words, "I told you so."
 11. take care of your appearance.
12. ask his opinion about your clothes or hairstyle.
13. tell him you are proud of him.

do not

14. talk down to him.
15. talk bad about him to others.
16. check behind him to make sure he did something to your standards.
 17. disregard his wishes.
 18. ignore his requests.
 19. laugh at his mistakes.
20. make him the brunt of your jokes.
21. compare him to other men.
22. complain about your finances or his ability as a provider.
23. speak sarcastically or with verbal jabs.
24. roll your eyes when he makes a comment you do not agree with.
25. continually "have a better idea."
